Choice of Medical Underwriting - Your application allows you a choice of either a Moratorium Underwriting Policy or a Full Medical Underwriting Policy as explained below. Please tick one only.

Option 1. Moratorium Underwriting Policy: Enables you to apply for your Plan without completing a full health questionnaire. Instead, we apply blanket exclusions for any pre-existing medical conditions you have had. The 'moratorium' refers to the fact that if, after 24 months of continuous cover under your plan, you demonstrate two consecutive years without symptoms or treatment, consultation, advice (excluding routine check-ups), medication (including injections), or special diet for a pre-existing condition (or any related conditions), then should you need subsequent treatment for that condition, you will have cover for it subject to the plan's terms and conditions. Under the Moratorium Underwriting option, many pre-existing medical conditions, where you need regular or periodic treatment, medication, or checkups, which existed prior to your purchase of your plan, may never be covered. This is because each symptom or treatment, consultation, advice (excluding routine check-ups), medication (including injections), or special diet for a pre-existing condition (or any related conditions) starts the moratorium again. Moratorium Underwriting is subject to an annual, non-refundable administrative fee. **If you elect this option, please proceed to Section 3.**

Option 2. Full Medical Underwriting Policy: You must complete a full medical questionnaire. Upon review of your responses and any additional information we require from you or your physician, we decide whether we can accept you for cover and any limitations on your cover. We then confirm any medical conditions that are excluded. Where cover is in effect for 24 continuous months under the plan, you are provided with pre-existing condition cover up to the annual and lifetime limits of the plan for eligible fully disclosed and accepted pre-existing medical conditions as defined by the plan and subject to the terms and conditions of the Policy Wording. This benefit is payable even if you have received consultation or treatment for the condition(s) during the 24 month period. Where we specifically have excluded cover for a disclosed pre-existing condition and after 24 months of cover your condition has improved, you may request review of that exclusion. Non-disclosed pre-existing conditions will never be covered. If you apply for a Full Medical Underwriting Policy and are declined, you may not then re-apply for a Moratorium Underwriting Policy. **If you elect this option, Questions 12 - 30 below must be answered for the applicant and every other member of your family applying for cover. For any question answered "YES," please identify the family member to whom the answer applies (use the letter that corresponds to the family member from Section 1), and provide complete details of the medical condition at issue in the space provided in Section 3.2 of this application, including the name, address and telephone number of all attending physician(s), diagnoses, all treatment dates, type(s) of treatment, prognosis, and present course of treatment. IMG reserves the right to request additional medical information.**
